Data collection through an annual field survey.

Authorized authority for data collection and dissemination

Department of Statistics according to law no. (12) Of 2012.

1. Content

Survey Questionnaire

2. Timeline

2.1. Reference period

01/03 – 30/11/2020

2.2. Dissemination Date

01/04 – 30/05/2022

2.3. Dissemination Commitment

30/05/2022

2.4. Periodicity

Annual (Time series of 2020 is available)

3. Accuracy

3.1. Overall Accuracy

Very High

3.2. Sources of inaccuracy

Mistakes other than inspection

3.3. Available Accuracy Measures

Descriptive accuracy measures

4. Comparability

4.1. Comparability over time:

This data is comparable with previously produced data due to using the same methodology and implementing the international standards.

4.2. Comparability with other statistics

This data is comparable with other statistics that use similar identifications and international classifications.

5. Data Accessibility

5.1. Type of dissemination

Data shall be disseminated in paper form and online on the website of department of statistics
